

African Optical Cable Product Manufacturer

AI Overview

Africa hosts several leading optical cable manufacturers, including YOA Cable, Dartcom Fibre Solutions, NiaFiber, CBi Telecom, and M-TEC, offering a wide range of fiber optic solutions for diverse applications.

Key Manufacturers

YOA Cable – Based in Africa, YOA Cable is one of the continent's largest optical fiber manufacturers. They specialize in innovative products with Fast Fusion Technology (FFT) for easier installation, reduced damage, and minimal need for specialist equipment, catering to high-speed and flexible applications across Africa.

Dartcom Fibre Solutions – Located in Waltloo, Pretoria, South Africa, Dartcom manufactures fiber optic cables under license from OFS Fitel, LLC. They have an annual production capacity exceeding 12,000 km and offer customized fiber coloring and ring markings. Dartcom is a partner of Furukawa Electric Company, ensuring global quality standards and cutting-edge technology.

NiaFiber – NiaFiber Africa Limited provides premium duct fiber cables, FTTH indoor and outdoor cables, ADSS cables, and air-blown micro cables. Their products are designed for high-speed, long-distance data transmission, with weatherproof and UV-resistant sheaths for durability in harsh environments.

CBi Telecom – A South African manufacturer with extensive experience in fiber and copper cables, CBi Telecom produces a wide range of optical fiber cables, structured cables, and OEM solutions. Their products meet international standards and are deployed across Sub-Saharan Africa.

M-TEC – Established in 1911, M-TEC is one of South Africa's largest fiber and power cable manufacturers. They offer aerial self-support cables, duct cables, direct buried cables, indoor cables, and micro duct cables, serving markets in South Africa, Namibia, Botswana, Zambia, Ghana, and Nigeria.

Additional Notable Manufacturers Other South African manufacturers includ...
