

Cable management rack installation without drilling

Overview

Our cable management tray is designed to clamp directly to desk frames, you can simply rotate the black knob by hand to clamp the cable rack tightly to your desk instead of drilling holes under desk. **EASY INSTALLATION:** The trays come with strong adhesive backing, making them easy to install without the need for drilling or additional tools. The adhesive was praised for its strength and durability. **VERSATILE AND SPACIOUS:** Users found the trays to be spacious enough to accommodate multiple. **No Drill No Damage to Your Precious Desk:** Unlike other cord racks that screw into your desk causing permanent damage, no drill under desk cable management simply clamps onto your desk without drilling and leaves no holes no mess behind. Limit slots can hold the messy cables in place for your better management plan. Our desk wire management solution doesn't permanently leave mark on your desk and can be easily. Transform your workspace with the Under Desk Cable Management Tray, featuring a no-drill, no-screw design for effortless installation.
