

Direct supply from Chinese laser diode manufacturers

Overview

Guangxi Changxing Laser offers 650nm/30mw laser diodes at \$0. Dongguan Blueuniverse sells a 405nm 10W UV fiber-coupled diode for \$3,500/unit—reflecting advanced packaging and optical integration. The global supply chain for direct diode lasers is anchored in China, where clusters in Shandong, Guangdong, and Guangxi provinces have developed specialized ecosystems for optoelectronic production. These regions combine access to semiconductor materials, precision optics, and engineering talent. Tell us what you need and try the easy way to get quotes! Optical Lens, Optical Prism, Optical Windows manufacturer / supplier in China, offering Thermal Imaging Camera Lens F9. 6mm Flange, Irg206 Irg204 IR Infrared Aspheric Lens, Optical System and Lens and so on. Description: 808nm, Conduction Cooled Single Bar Product Description: 808 nm Conduction Cooled QCW Stack Diode Laser Description: 1290nm Coaxial Package Diode Laser Module with SM Fiber Description: 808 nm Fiber Pigtailed Laser Diode. One of the ways we help our community of laser scientists and engineers find the best products for their projects is by hosting a free Open-Index product database. All manufacturers are also welcome to upload their data sheets free of charge. is a leading company in the manufacture and supply of diode lasers from China.

Article Content

High Power Lasers Diodes (10W ~ 1kW)

LaserDiodeSource , part of the Laser Lab Source group, works with industry leading high power laser diode and high power laser control instrument

All the Top Laser Diode Brands & Wavelengths (SHOP

NO MARK-UP'S. Manufacturer's set their own direct pricing on our platform. To ensure that you are getting the lowest price, all of the prices on our site are

High-Quality Top Laser Diode Supplier in China: Manufacturer,

Looking for a reliable laser diode supplier? Look no further than our China-based manufacturer, supplier, and factory. We offer high-quality products and unbeatable prices. Shop now.

China Laser Diode, Laser Diode Wholesale, Manufacturers, Price

How do you find Laser Diode factory in china that can manufacture items? Type the keywords you're interested in such as Laser Diode and make direct contact with any desirable suppliers /

Laser Diode Manufacturers & Suppliers

laser diode manufacturers/supplier, China laser diode manufacturer & factory list, find best price in Chinese laser diode manufacturers, suppliers, factories, exporters & wholesalers quickly on Made-in

Top 10 Laser Diode Manufacturers in China

Discover the top 10 laser diode manufacturers in China, including Vivlaser, Everbright, BWT, Raycus, and more. Learn about their main products, strengths, and market roles in industrial,

Laser Diodes from Manufacturers in China

1002 Laser Diodes from 12 manufacturers listed on GoPhotonics. Search by specification. Selected filters - Country : China, Page-1.

\$LITE KEY READ-THROUGHS FROM LUMENTUM HOLDINGS INC

Transmission mechanism: Lumentum appears to have a near-term first-mover advantage in OCS, supported by complex MEMS technology, customer engagement, and supply-chain

Laser diode wavelength // China

One of the ways we help our community of laser scientists and engineers find the best products for their projects is by hosting a free Open-Index product database. All manufacturers are also welcome to

China Laser Diode Driver, Laser Diode Driver Wholesale, Manufacturers ...

Sourcing Guide for Laser Diode Driver: China manufacturing industries are full of strong and consistent exporters. We are here to bring together China factories that supply manufacturing systems and

Top Diode Laser Suppliers: How to Choose Certified Manufacturers?

Need reliable diode laser suppliers? Explore China's top manufacturers with ISO-certified production and ODM capabilities. Compare response times, reorder rates, and bulk pricing. Click to

Laser Diode Price, Specs & OEM Guide | Wholesale Laser Diode

Looking to source laser diodes for electronics projects? Compare OEM and wholesale options, including factory-direct trends. Distributors often share real pricing insights—get a custom quote now and join

Wuhan Raycus Fiber Laser Technologies Co., Ltd.

Wuhan Raycus Fiber Laser Technologies Co., Ltd. Wuhan Raycus Fiber Laser Technologies Co., Ltd. (hereinafter referred to as "Wuhan Raycus")

Laser diode wavelength // China

Any user of this site is welcome to upload data sheets for products they use and recommend. One of the ways we help our community of laser scientists and engineers find the best products for their projects

China Diode Laser Manufacturer and Supplier

Looking for a reliable Diode Laser Manufacturer, Supplier, or Company in China? Look no further! Our top-quality products and competitive prices will exceed your expectations. Contact us today to learn

Quality Diode Laser Module & Fiber Coupled Diode

China leading provider of Diode Laser Module and Fiber Coupled Diode Laser, BWT Beijing Ltd. is Fiber Coupled Diode Laser factory.

Laser Diode manufacturers, China Laser Diode

Find Laser Diode manufacturers from China. Import quality Laser Diode supplied by experienced manufacturers at Global Sources.

Direct Diode Laser Suppliers in China: Performance, Pricing ...

Evaluate direct diode laser suppliers based on delivery reliability, response time, and reorder rates. Compare power ranges, wavelengths, and pricing from verified manufacturers in China.

Laser Diode Manufacturers

A Laser Diode is a type of semiconductor device that produces coherent light through the process of stimulated emission. The leading manufacturers of Laser Diodes are listed below. Narrow down on

47 Laser Diode Manufacturers in 2026

This section provides an overview for laser diodes as well as their applications and principles. Also, please take a look at the list of 47 laser diode manufacturers
