

EU ordinary optical cable manufacturers

AI Overview

Leading EU manufacturers of ordinary optical cables include Prysmian Group, Nexans, Leoni, HUBER+SUHNER, Draka, Hexatronic, and Acome. Key Manufacturers

Prysmian Group (Italy) – The world's largest cable manufacturer, Prysmian produces a wide range of optical fiber cables for telecommunications, data centers, and industrial applications. They are known for innovations like BendBrightXS fibers and Hollow-Core Fiber technology, offering high-density and low-latency solutions.

Nexans (France) – Nexans specializes in energy and telecom cables, including CPR-compliant optical cables that meet strict European fire safety standards. They serve telecommunications, renewable energy, and industrial infrastructure markets.

Leoni (Germany) – Leoni provides optical fibers and cable solutions for automotive, industrial, and data communication sectors. Their expertise includes high-quality fiber optic cables for both local and long-distance applications.

HUBER+SUHNER (Switzerland) – This company delivers electrical and optical connectivity solutions, including fiber optic cables for telecommunications, transportation, and data centers, emphasizing high-quality and reliable products.

Draka (Netherlands, part of Prysmian Group) – Draka manufactures fiber optic and copper cables for telecom, energy, and industrial applications, with a strong reputation for quality and durability.

Hexatronic (Sweden) – Hexatronic focuses on fiber optic communication infrastructure, producing advanced cables for high-speed telecom networks and global markets.

Acome (France) – Acome provides fiber optic and cabling solutions for telecommunications, automotive, and building infrastructure, with a cooperative structure and long-standing presence in the European market.

Considerations for Selection When sourcing optical cables in the EU, consider: Compliance with European standards (e.g., CPR fire ratings, RoHS, REACH) Sustainability and ESG practices, as many EU manufacturers emphasize environmentally responsible production Technological ca...
