Top cable tray manufacturers in Ecuador include Brilltech Engineers, Jeetmull Jaichandlall, and Cable House, offering high-quality, durable, and customizable solutions for industrial and commercial projects.

Key Manufacturers

1. **Brilltech Engineers** Brilltech Engineers is a prominent cable tray manufacturer and supplier in Ecuador, offering a wide range of trays made from galvanized steel, stainless steel, and fiberglass. Their products are designed for durability, safety, and efficient cable management, with features like perforated trays for improved airflow and cooling. They provide installation support, system design assistance, and compliance with industry standards, making them suitable for both small and large-scale projects.
2. **Jeetmull Jaichandlall (P) Ltd.** This company is recognized for producing high-quality wire mesh and cable trays in various sizes, shapes, and colors. They emphasize customization and adherence to industry standards, ensuring that trays are resistant to impact, heavy loads, and environmental wear. Their open design allows for ventilation and visibility, making them ideal for applications requiring airflow and security. They are considered among the top 10 cable tray manufacturers and exporters in Ecuador.
3. **Cable House** Cable House has been active since 1983 and offers a comprehensive range of cable trays, cable ties, hose clamps, and industrial connectors. They focus on customized solutions, durability, and reliable performance, using advanced manufacturing technologies and high-quality raw materials. Cable House also provides global supply and export services, ensuring clients receive products tailored to their specific project requirements.

Considerations for Choosing a Manufacturer

Material and Durability: Ensure the trays are made from materials suitable for your environment (e.g., galvanized steel for corrosion resistance).
