

Georgia Optical Cable Construction Tender

AI Overview

Georgia currently has multiple active tenders for optical cable construction, fiber optic infrastructure deployment, and related consultancy services. Key Tender Opportunities

Fiber Optic Infrastructure Deployment: Phase 4 (Kakheti-Tianeti) Open Net NNLE published this tender on March 30, 2026, targeting companies specializing in optical-fiber cables and cable infrastructure installation. The bid submission deadline was May 13, 2026, and the project focuses on passive fiber optic infrastructure deployment in the Kakheti-Tianeti region, supporting broadband expansion and connectivity improvements in rural areas.

Engineer Consultancy Services for Civil Works of Fiber Optic Infrastructure Open Net, under the World Bank-funded Log-In Georgia Project, issued an Expression of Interest (EOI) for supervising civil works in the Khulo-Akhaltsikhe-Borjomi region. The consultancy involves ensuring construction compliance with design, environmental, and social standards. Interested firms must submit their EOI by May 28, 2026, electronically to procurement@opennet.ge. This assignment does not require a financial proposal at the EOI stage.

Telecommunications Structured Cabling at Kennesaw State University (Georgia, USA) While not in the country of Georgia, this eRFP involves fiber optic and CAT 6A copper cabling for campus construction and renovation projects. It includes design, installation, testing, and documentation of structured cabling systems, along with associated infrastructure like racks, cable trays, and wireless access points.
