

Home Smart PDU Power Strip

Overview

The top pick is the Kasa Smart Plug Power Strip HS300 for its combination of app control, surge protection, and affordability. The GHome Smart Power Strip stands out for its WiFi connectivity and ease of use, while the Tapo Smart Wi-Fi Power Strip offers Matter compatibility for. The ASD Products Turtle Power Distribution Kit is ideal for users who need to convert their home's 240V dryer or range outlets into multiple 120V power sources. You'll get 60 amps of 120V power through four dual GFCI outlets, each protected by 15-amp breakers. You'll appreciate the slim profile that lets you mount it behind furniture or directly on the wall. With up to 21 intelligent programmable breakers with a rating up to 125 amps, the SMART PDU I- type, with its 1U design, is compact, hot swappable, and built to meet safety standards. Grow your network, not your headaches.
