

Madagascar Primary Distribution Box Manufacturer

AI Overview

Key manufacturers of distribution boxes in Madagascar include Newpack Madagascar, IPC SARLU, SEMBA, and Madaflex, offering a wide range of corrugated and specialized packaging solutions. Leading Manufacturers

1. Newpack Madagascar Newpack provides a variety of corrugated boxes, including 1kg boxes suitable for automated forming lines. They emphasize sustainable practices, recycling, and efficient stock management, and have over 30 years of experience in the packaging industry, producing millions of corrugated boards annually. Their team works closely with clients to deliver tailored packaging solutions quickly and efficiently (Newpack Madagascar) .
2. IPC SARLU IPC SARLU specializes in single, double, and triple ply corrugated cartons for local and export markets. They serve industries such as food, frozen/refrigerated products, pizza boxes, soap, tobacco, and garments. IPC offers die-cut and multi-fold boxes for special applications and ensures environmental responsibility by working with FSC-certified partners. Their creative team supports clients from conception to final product, providing customized branding solutions (IPC-Madagascar) .
3. SEMBA SEMBA is a modern cardboard factory established in 2020, positioned as the first large-scale cardboard manufacturer in Madagascar and the Indian Ocean. They produce corrugated cardboard packaging for delicate products, food items, and general distribution. SEMBA has a production capacity of 50 million m² of cardboard per year and uses advanced BHS corrugators. Their services include CNC cutting, printing, and quality control to meet diverse packaging needs (SEMBA) .
4. Madaflex Madaflex offers a broad portfolio of packaging solutions beyond plastic, including paper-based products and labels. They focus on high-quality, responsible packaging for food and hygiene products, with options for stand-up pouches, gusset...
