

Myanmar Power Line Bracket Manufacturer

AI Overview

Key manufacturers and suppliers of power line brackets in Myanmar include Yaung Ni Oo Electric, Pacific Electric Co., Ltd., United Power Electric, and IEM Myanmar. Leading Companies

1. Yaung Ni Oo Electric Company Limited Founded in 2017, Yaung Ni Oo Electric specializes in transmission and distribution (T&D) projects across Myanmar. They provide high-voltage power lines, substations, and distribution networks, along with electrical products and accessories, which likely include power line brackets for 33/11 kV and higher voltage systems .
2. Pacific Electric Co., Ltd. Pacific Electric focuses on trading materials and equipment for multi-voltage electric power lines and substations. They also produce electrical equipment and accessories in collaboration with international manufacturers from Thailand, China, Vietnam, and other countries. Their partnerships with companies like Preformed Line Products (Thailand) and TBEA Wires & Cable Industry (China) suggest access to high-quality power line brackets and related hardware .
3. United Power Electric Co., Ltd. (UPE) Established in 2008, UPE is a major supplier of electrical power equipment in Myanmar. They distribute and install transmission line accessories, including brackets, insulators, and other substation components. UPE has experience constructing over 400 miles of overhead transmission lines and 30 substations, indicating their capability to supply and integrate power line brackets for large-scale projects .
4. IEM Myanmar IEM Myanmar is an international trading and engineering company providing a wide range of industrial and electrical products. They offer design, installation, and maintenance services for power distribution systems, which include cable supports and bracket solutions for power lines .

Additional Notes Many of these companies also provide EPC (Engineering, Procurement, and Construction) services, ensuring that brackets and...
