

Optical Fiber Splicing Manufacturer in Western Europe

AI Overview

Western Europe hosts several leading manufacturers and service providers for optical fiber splicing, including Fujikura Europe, Sumitomo Electric Europe, NYFORS, and V-Protect. Key Manufacturers and Providers

1. **Fujikura Europe** Fujikura is a global innovator in fiber optic technology, offering advanced fusion splicing equipment and connectivity solutions for telecom, data centers, and FTTH networks. Their European operations provide cutting-edge splicers, ribbon fiber solutions, and technical support for network deployment across Western Europe.
2. **Sumitomo Electric Europe** Sumitomo Electric Europe specializes in high-performance fusion splicers and fiber preparation tools. Their splicers feature automatic core alignment, dual independent ovens for faster heat-shrink times, and MPO Splice-On Connector technology, enabling efficient on-site fiber jointing.
3. **NYFORS** NYFORS supplies advanced fiber processing and splicing equipment, including laser fusion splicers, automatic cleavers, and inspection tools. Their products are designed for high-strength and specialty fiber applications, suitable for telecom, photonics, and high-power fiber networks.
4. **V-Protect** V-Protect manufactures fully automated fiber optic splice protection sleeves, ensuring high precision, repeatability, and ISO-certified quality. Their solutions are ideal for large-scale production and OEM applications in fiber optic networks.
5. **SuduraFibra.EU** SuduraFibra.EU provides professional fiber optic fusion splicing services across Western Europe, using Fujikura FSM equipment for minimal splice loss. They offer FTTH/FTTB installations, OTDR certifications, and rapid intervention teams in major cities like Vienna, Milan, and Frankfurt.
6. **FiberOptics24.eu** Part of the Hexatronic Group, FiberOptics24.eu supplies fusion splicers, patch cords, pigtailed, and FTTH installation accessories across Europe. The...

Fusion Splicers

List of our authorised resellers in Europe, the Middle East and Africa. We provide a wide range of repair, cleaning & maintenance services. To find out how we can support you, please contact us. Come and

Fusion Splicing

We are the world's leading manufacturer of telecoms and specialty application splicers. With over 40 years' experience developing splicing technology, we are

Europe's Optical Fiber Cables Market Report 2026

This report provides a comprehensive, forward-looking analysis of the European optical fiber cables market, establishing a detailed baseline for 2024-2026 and projecting the industry's

Fiber Optic Interconnect Components | Fiber Products

For over three decades, Fiber Products has been developing innovative fiber optic solutions and modular optical fiber components for professional applications

Top 12 Fiber Optic Manufacturers Serving the European Market

Beyond Europe? Consider ZORA Fiber Optic – A Trusted Global Supplier While the European market is dominated by established players, ZORA, a China-based manufacturer, offers a

Fiber Optic Cable Jobs in Europe

25 Fiber Optic Cable jobs in Europe on totaljobs. Get instant job matches for companies hiring now for Fiber Optic Cable jobs in Europe like Engineering, Communications, Mechanical and Electrical and

Fibre Optic Cable Manufacturing in Europe Industry Analysis, 2025

Expert industry market research on the Fibre Optic Cable Manufacturing in Europe (2015-2030). Make better business decisions, faster with IBISWorld's industry market research reports, statistics,

Specialty Vehicles & Trailers

Fiber Splicing Vehicles Purpose-engineered workspaces for fiber optic splicing and testing crews. Climate-controlled interiors, integrated cable management, and

10 Best German Fiber Optic Cable Manufacturers & Suppliers

This post lists 8 professional German fiber optic cable manufacturing company. Take a look at their list and obtain detailed information about them.

Global Fibre Management Solutions | SpliceGroup

Fibre management solutions for high-performance networks. Optical distribution frames, high-density modular systems, and connectivity products engineered for reliability.

Hiring and Recruitment in Europe – Optical fiber Installer

All necessary training to get specific technical skills you need to install & service fiber optic networks will be provided. Duties: installation of optical fiber networks (armored/un-armored) within offices and

Optical Fibres Cables

Tratos is one of the leading fibre optic cable manufacturers in Europe. Tratos has spent 40 years exploring and refining fibre cables for its customers.

Fiber Fusion Splicing and Fiber Processing Equipment

NYFORS is your innovative supplier of advanced glass processing and optical fiber preparation equipment for high strength and specialty splicing operations.

US & European Fiber Optic Cable Market Forecasts 2031

United States And European Fiber Optic Cable Market Size & Share Analysis - Growth Trends and Forecast (2026 - 2031) The United States and European Fiber Optic Cable Market

Global Fibre Management Solutions | SpliceGroup

Delivering end-to-end fibre connectivity solutions, we combine expert design, precision manufacturing and fully managed installation services to keep your network performing at its best.

Fusion Splicing

We have been at the forefront of fibre optic splicing since 1978. With more than 40 years' manufacturing experience, Fujikura is a world leader in fusion splicing.

2024 Top12 Fiber Optic Cable Manufacturers in Germany

Germany is renowned for its advanced engineering and innovative manufacturing capabilities. This extends into the field of fiber optic cables, where German manufacturers are

Services

We will supply on request all the components for your fiber optic and copper data network of well-known manufacturer of the splice distributor (19-inch, wall and

Top 15 Fiber Optic Cable Companies in Europe 2026

Every buyer shortlisting a European partner — for FTTH rollouts, subsea links, AI data centers, or automotive zonal architectures — will eventually narrow down to the same group of

Expert Fiber Optic Fusion Splicing

Professional fiber optic fusion splicing, FTTH/FTTB installations, OTDR certifications in 20+ European countries. Fujikura equipment, 24-month warranty, 24/7 availability.

Fusion Splicers | Telecommunication Systems Business Unit

Telecommunication uses Fusion splicer enable splicing of Fiber Optic Cable with low loss and high reliability. For fusion splicer, we offer two types: Core alignment fusion splicer, which bring high

Custom fiber optic projects: tailored modular splicing solutions | DACH

Custom fiber optic projects for special requirements: tailored modular splice modules, splice boxes and interfaces. European manufacturing and a 5-year warranty.

Fiber Optic Interconnect Components | Fiber Products

Modular fiber optic interconnect components — connectors, DIN rail boxes & splice enclosures. Made in Europe, 5-year warranty. Request your B2B solution now.

SPECIALIST IN FIBER OPTIC CABLE MANUFACTURING

In this blog you'll find the latest developments about fiber optic cables, light splitters, pig-tails, patch cords and fusion splicers. News, reviews and all you need to know about the sector.

Top Fiber Optic Cable Manufacturers in Germany

Incab Europe is a prominent manufacturer and supplier of fiber optic cables, having produced over 21,000 km of these cables between 2020 and 2022. Their product range includes specialized aerial
