

Price List for Customized Irish Cable Trays

AI Overview

Custom-made cable trays in Ireland typically range from €50 to €300 or more per tray, depending on size, material, and complexity.

Pricing Overview

The cost of custom cable trays varies significantly based on several factors:

- Material:** Steel, stainless steel, aluminum, or PVC trays have different price points. Stainless steel and aluminum are more expensive due to durability and corrosion resistance, especially for outdoor or industrial use.
- Size and Length:** Longer or wider trays designed to carry more cables increase the price. Standard lengths are usually 2–3 meters, but custom lengths can add to the cost.
- Design Complexity:** Trays with special bends, perforations, or load-bearing requirements are priced higher due to additional manufacturing effort.
- Accessories:** Supports, joints, connectors, and clips are often sold separately and can add €10–€50 per tray depending on the configuration.

Supplier Options in Ireland

- Dwyers Electrical:** Offers a range of cable trays for domestic and industrial use, with competitive pricing and in-store collection options.
- Electrical Wholesaler Ireland:** Provides durable trays suitable for various installations, emphasizing fast delivery and safety compliance.
- GroupSumi:** Specializes in high-quality cable trays for indoor and outdoor installations, including custom sizes and accessories, ideal for industrial projects.
- RS and National Electrical Wholesalers:** Offer standard and modular cable trays with options for customization, suitable for both commercial and residential projects.

Recommendations

- Request a Quote:** For custom-made trays, it is best to contact suppliers directly with your specifications (length, width, material, load capacity) to get an accurate price.
- Consider Bulk Orders:** Ordering multiple trays or complete systems often reduces the per-unit cost.
- Check Delivery and Installation Costs:** Some suppliers include delivery, while others may c...
