

Price List of Optical Cable Locating and Detection Instruments

AI Overview

Optical cable positioning and detection instruments typically range from \$200 to over \$3,000 depending on functionality, precision, and brand.

Overview of Instruments

NOYAFA NF-8508 Multi Network Cable Tester
Functions: Wire mapping, digital cable tracing, port flashing, cable length measurement, PoE checking, crimping test, optical power meter (OPM), visual fault locator (VFL), and non-contact voltage (NCV) test .**Use:** Ideal for tracing and identifying optical fibers in network installations.**Typical Price Range:** \$250-\$400 for multifunction testers with optical power measurement.

PCE-LT 12 Cable Detector
Functions: Voltage and current measurement, network analysis, LAN and telephone line testing, cable finder with transmitter and receiver, NCV detection .**Use:** Locating cables behind walls or in wiring harnesses.**Typical Price Range:** \$200-\$350.

PCE-CL 20 Cable Detector
Functions: Detects live and voltage-free wires, locates metallic/non-metallic pipes, identifies short circuits, follows lines under flooring or inside walls .**Use:** Versatile for both electrical and optical cable detection.**Typical Price Range:** \$300-\$500.

HZGX-V Cable and Pipeline Locator
Functions: Underground cable path detection, metal pipeline identification, depth measurement, insulation fault detection, A-frame fault location, passive and active detection, IP65 protection .**Use:** High-performance underground cable and pipeline surveys.**Typical Price Range:** \$1,500-\$3,000 depending on optional accessories and customization.

DTR-500+ Optical Cable Detector
Functions: Detects direction and depth of underground optical fiber cables, signal strength and direction indication .**Use:** Specialized for fiber optic cable positioning.**Typical Price Range:** \$500-\$1,200.

Key Considerations
Functionality: Devices with multifunction capabilities (e.g., NOYAFA NF-8508) are generally more...

Cable and Pipe Locating Equipment | Radiodetection

Cable Avoidance Tools A comprehensive range of Cable Avoidance Tools helping professionals to drive best locating practice, to reduce the number of cable

Pipe and Cable Locators

Tiger Supplies offers a huge variety of cable and pipe locators including Leica, Geomax, and Subsurface. To view our latest supplies, browse our website today!

MXL4 Precision Pipe & Cable Locator Supplier in India

Stanley C.Scope MXL4 pipe & cable locating equipment are high performance cable avoidance tools for long distance tracing used in telecom, railway, gas or oil

Pipe Locators, Cable Locators, Underground Utility

Whether you're using a radiodetection locator, a magnetic pipe locator, or a Schonstedt pipe and cable locator, you can trust these top brands to get the job

Pipe Locators, Cable Locators, Underground Utility

We sell professional-grade Pipe Locators, Cable Utility Locators, Underground Utility Locators, Underground Utility Location Tools, and Underground Pipe Locators

Cscope DXL3 Cable Avoidance Tool Price in India

Stanley Cscope cable avoidance tools in India. We are #1 supplier of cat cable avoiding tools help in locating buried power cables, wire and many more.

Vivax-Metrotech – Vivax-Metrotech Corporation

About Us Vivax-Metrotech develops and manufactures products for buried utility locating, fiber-optic cable locating, ferrous metal detection, coating analysis and performing ACVG surveys on cathodic

Cable Locator

The Cable Locator offers a reliable solution for the precise detection of objects concealed in walls, floors and ceilings. The integrated calibration function

Anritsu Home | Anritsu Europe

Anritsu provides test and measurement solutions and quality-assurance equipment for food, pharma, and next-generation networking industries in America.

Cable Locator

It is possible to detect the connection and cut points of buried cables. You can select a measurement method that suits your usage from three measurement methods (direct method, indirect method,

MarketsandMarkets

Revenue Impact Firm - MarketsandMarkets offers market research reports and quantified B2B research on 30000 high growth emerging opportunities to over 10000 clients worldwide. Get detailed insights

Fiber Optic Test Instruments & Inspection Equipment | LANShack

Fiber Optic Test Instruments - Microscopes, Visual Fault Locators, Optical Power Meters & OTDRs Our Fiber Optic Test Instruments category includes all the essential tools needed for testing,

Buried Cable Locator | Underground Pipe Detector in India

We are #1 supplier of Cscope underground pipe & cable locators in India ntact us for cable detector, wire tracer, pipe locator to avoid utilities before digging.

Cable Locating Equipment: Find the Best Tools Now

How To Choose Cable Locating Equipment? Selecting the appropriate cable locating equipment requires a methodical evaluation against technical and operational requirements.

Products: Cable and Pipe Location Meters

Cable and Underground Infrastructure Locator | LKZ-2500 R32,002.00 – R62,613.00 ex vat Cable and Underground Infrastructure Locator - Overview Locating,

6 Best Underground Wire and Cable Locators

Find the best underground wire and cable detectors for underground utilities, from lightweight devices to transmitter and receiver combos.

Cable Tracers, Electric Cable Fault Locator, TDRs For Sale | Transcat

Wire Tracers, Electric Cable Fault Locator, TDRs For Sale at Transcat. Best Price Guaranteed. Thousands of Items In Stock. Call, Order, or Get a Quote!

Cable Locator

Find here Cable Locator, Cable Detector manufacturers, suppliers & exporters in India. Get contact details & address of companies manufacturing

Cable Fault Locating Instruments

Find reliable cable fault locating instruments for underground and overhead cables. Precision and durability for various testing needs. Shop now for top-quality tools!

Underground Cable Fault Locator

Find here Underground Cable Fault Locator, Cable Fault Locators manufacturers, suppliers & exporters in India. Get contact details & address of

Cable/Fault Locators

Shop with confidence knowing we provide competitive pricing, fast shipping, and exceptional customer support. Browse our e-commerce category to find the perfect Underground Cable and Fault Locator

Underground Cable Locator Price

Low price options from \$3.5 to \$15,000 available for verified suppliers. Available for purchase starting with just 1 unit. Ideal for wholesale buyers.
