

Price list of reputable electrical distribution boxes in Chad

AI Overview

Electrical distribution boxes in Chad typically range from \$50 for basic residential units to \$500 or more for industrial-grade systems, with reputable brands like Havells, Eaton, and Procom offering reliable options.

Typical Price Ranges

Residential Distribution Boxes: Single-phase units for homes generally cost \$50–\$150, depending on the number of circuits, material quality, and safety features.

Commercial Distribution Boxes: Three-phase or multi-circuit units for offices or small businesses range from \$150–\$300, often including enhanced durability and circuit protection.

Industrial Distribution Boxes: Heavy-duty, weather-resistant, or smart monitoring units for factories or data centers can cost \$300–\$500+, reflecting higher amperage capacity, advanced control systems, and compliance with industrial standards.

Reputable Brands

Havells: Known for durable residential and commercial distribution boards with organized circuit layouts and safety features.

Eaton / Crouse-Hinds: Offers industrial-grade boxes and multi-gang enclosures suitable for complex installations.

Procom Middle East: Provides a range of power distribution boxes with quality guarantees and fast delivery, suitable for both commercial and industrial applications.

Sourcing Options in Chad

Local Electrical Suppliers: Major cities like N'Djamena may have distributors for international brands, often providing installation support.

Regional Importers: Companies in neighboring countries (Cameroon, Nigeria) can supply boxes with shipping to Chad.

Online International Suppliers: Websites like Procom, City Electric Supply, and Havells allow international orders, though shipping costs and customs duties should be considered.

Considerations for Purchase

Voltage and Amperage Ratings: Ensure compatibility with local electrical standards (typically 220–240V in Chad).

Environmental Protection: Outdoor installations require weather...
