

# Price of Foreign Communication Line Junction Boxes

## AI Overview

Foreign communication line junction boxes typically range from \$10 to \$150 per unit, depending on type, size, and features.

**Overview of Junction Box Types**

- Fiber Optic Junction Boxes:** Designed for fiber optic cables, these boxes often include ports, adapters, splice trays, and splitters. They are usually made from durable plastic or metal and are waterproof, suitable for both indoor and outdoor installations (Alibaba).
- Telephone/Communication Connection Boxes:** These are used for telephone or data cable management, with varying numbers of ways (ports) and sizes. For example, CPC UK lists boxes with 20 to 50 ways, with dimensions ranging from 65mm to 210mm in height or depth, priced competitively but exact figures depend on distributor and quantity (CPC UK).
- Industrial/Network Junction Boxes:** Suppliers like Zarlec provide boxes certified to UL 1773 for data centers, office buildings, and network infrastructure, ensuring secure and efficient cable management (Zarlec).

**Price Range**

- Small indoor boxes: \$10–\$30 per unit, suitable for residential or office use.
- Medium outdoor boxes: \$30–\$80 per unit, often waterproof and weather-resistant.
- Large or specialized fiber optic boxes: \$80–\$150 per unit, including internal components like splice trays and splitters. Prices may vary based on material (plastic vs metal), IP rating, number of ports, and supplier location. Shipping, taxes, and import duties for foreign purchases can add to the cost.

**Purchasing Tips**

- Compare suppliers:** Alibaba offers a wide range of international options, while local distributors like CPC UK provide faster delivery and support.
- Check certifications:** Ensure UL or IEC compliance for safety and compatibility.
- Consider quantity discounts:** Bulk orders often reduce per-unit cost.
- Factor in shipping and customs:** For foreign purchases, freight and insurance are additional costs. By considering these factors, you can est...
