

Price of tray-type cable trays in Kenya

AI Overview

Cable trays in Kenya typically range from KES 1,500 to KES 6,000 per standard 2.44-meter tray, depending on material, type, and size.

Price Ranges by Material and Type

- Galvanized Steel Cable Trays:** Commonly used for industrial and commercial applications, prices start around KES 1,500–2,500 for standard sizes (50mm x 200mm, 2.44 meters) and can increase for thicker or custom trays.
- Stainless Steel Cable Trays:** More durable and corrosion-resistant, suitable for harsh environments, typically priced higher, around KES 3,500–6,000 per tray.
- Aluminum Cable Trays:** Lightweight and corrosion-resistant, often used in data centers or light industrial setups, with prices generally in the KES 2,500–4,500 range.

Types of Cable Trays

- Ladder Trays:** Ideal for heavy-duty industrial or commercial systems, providing maximum ventilation and support for large cables.
- Perforated Trays:** Offer moderate airflow while maintaining cable protection, suitable for offices and commercial buildings.
- Solid Bottom Trays:** Provide enhanced protection for sensitive environments like data centers.
- Wire Mesh Trays:** Flexible and easy to access, commonly used in office spaces and areas requiring frequent cable management.

Additional Considerations

- Custom Sizes:** Many suppliers, including Rapidtech Networks Limited, offer custom widths, thicknesses, and lengths to meet specific project requirements.
- Delivery and Payment:** Most suppliers provide delivery across Nairobi and other major towns, with payment options including cash, bank transfer, mobile money, and pay-on-delivery.
- Installation Services:** Professional installation is available from some suppliers to ensure secure and efficient cable management.

For accurate budgeting, it is recommended to contact suppliers directly for quotes based on the specific type, material, and quantity of cable trays required for your project. Trusted suppliers in Kenya include TDK Tech Store, Shopit, PMZ Limited, and Rapidtech Networks Limited.
