

Prices for good distribution boxes in the Middle East

Overview

Price sensitivity is moderate; standard indoor distribution boxes for commercial use range USD 50-200 per unit, while large industrial units for utility-scale projects run USD 500-2,000. The Middle East distribution boxes market is structurally import-dependent, with 70-80% of supply sourced from East Asia, Europe, and India. Local GCC-based production covers only an estimated 20-30% of demand and is concentrated in simple metal-enclosure fabrication and final assembly, while. Shop high-quality distribution boxes (Dist Boxes) in the UAE for safe and efficient power distribution. com offers a wide range of PDUs that will meet your power load requirements at wholesale prices.
