

Qatar Aluminum Alloy Cable Tray Brands

AI Overview

Top manufacturers of aluminum alloy cable trays in Qatar include Altura Industries, Advance Line Cable Management System L.L.C, TransDelta International Industries, and Triple M Qatar, all offering high-quality, standards-compliant solutions. Leading Companies

1. Altura Industries Altura Industries is a prominent cable tray manufacturer in Qatar, offering aluminum alloy cable trays designed for smooth cable pulling and durability. Their products comply with BS EN 61537:2007 standards and are suitable for harsh environments such as petrochemical, marine, and oil and gas industries. Altura emphasizes high-quality, competitively priced cable management systems for MEP contractors, including wire mesh and ladder trays .
2. Advance Line Cable Management System L.L.C Advance Line manufactures aluminum cable trays fully in accordance with British standards. They provide a wide range of cable management solutions, including ladders, trunkings, basket trays, and strut channels. The company is ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 certified, with UL and QIL compliance, ensuring high performance, safety, and environmental responsibility .
3. TransDelta International Industries L.L.C TransDelta, part of the TRANSCON Global Group, produces aluminum alloy cable trays and other cable management systems certified to the highest international standards. They focus on quality, reliability, and timely supply, serving prestigious projects across Qatar and the GCC. Their products are suitable for industrial and commercial applications requiring robust and long-lasting solutions .
4. Triple M Qatar Triple M supplies aluminum cable trays in various thicknesses (1.0 mm to 2.0 mm) and duty levels (light to very heavy duty). Their products meet NEMA standards and are designed for efficient installation, cost-effectiveness, and durability, making them suitable for diverse industrial and infrastructure projects .

Considerations for Choosing the Best Manufacturer
