

Singapore Cable Tray Prices Company

AI Overview

Cable tray prices in Singapore vary widely depending on material, size, duty rating, and coating, typically ranging from SGD 20 to SGD 200 per meter for standard industrial trays.

Factors Affecting Cable Tray Pricing

Material: Cable trays are available in stainless steel (SS304, SS316, SS316L), hot-dipped galvanized steel, mild steel, aluminum, epoxy-coated steel, and FRP/GRP. Stainless steel and FRP/GRP trays are generally more expensive due to corrosion resistance and durability.

Duty Rating: Trays are classified as light duty (13mm), medium duty (25mm), heavy duty (50–100mm), and super heavy duty (50mm and above). Higher duty trays designed to support heavier cables or industrial loads cost more.

Tray Type and Design: Options include perforated trays, wire mesh trays, ladder trays, and trunking systems. Wire mesh trays are often lighter and easier to install, while ladder and heavy-duty trays are more robust and pricier.

Size and Dimensions: Tray width and depth affect cost. Common widths range from 100mm to 600mm, with larger trays requiring more material and higher prices.

Coatings and Finishes: Epoxy powder coating, hot-dipped galvanization, or zinc-aluminum-magnesium (ZAM) coatings increase resistance to corrosion and environmental wear, adding to the cost.

Standards Compliance: Trays meeting IEC 61537, NEMA VE-1, or Singapore SS249 standards may carry a premium due to quality assurance and regulatory compliance.

Typical Price Ranges

- Light-duty perforated or wire mesh trays: SGD 20–50 per meter
- Medium-duty steel or aluminum trays: SGD 50–100 per meter
- Heavy-duty or stainless steel trays: SGD 100–200 per meter
- Specialty trays (FRP/GRP, epoxy-coated, or custom sizes): Prices may exceed SGD 200 per meter depending on specifications

Suppliers in Singapore

- RS Singapore:** Offers a wide range of wire mesh and steel trays with online ordering and next-day delivery.
- AE Hub:** Supplies metallic cable trays, ladders, and trunking in various materials and duty ratings.
- Wanco Electric Pte Ltd:**...
