

Source of Italian Steel Cable Tray Manufacturers

AI Overview

Italy hosts several leading manufacturers of steel cable trays, including Schiavetti Tekno, Spina Group, FEMI-CZ, SATI Italia, SITIE, and Zamet SpA, offering high-quality, customizable solutions for industrial and infrastructure applications.

Key Manufacturers and Offerings

Schiavetti Tekno / Spina Group Schiavetti Tekno, part of Spina Group, has been producing cable trays since 1964. They offer stainless steel, galvanized, and wire cable trays in various types such as closed, perforated, ladder, and wire-mesh trays. Their products are designed for strength, corrosion resistance, and long-term performance, with custom sizes and compatibility with Unistrut systems. They comply with European (EN) and international (UL) standards and provide full technical support and after-sales service.

FEMI-CZ FEMI-CZ specializes in custom metallic cable tray solutions for large industrial and civil installations. Their product range includes solid bottom (perforated and closed), ladder, and mesh trays. They emphasize productivity, flexibility, and ease of installation, with customized solutions for sectors like transport, energy, and oil & gas. FEMI-CZ also offers a wide range of accessories, supports, and fastening systems to accommodate complex layouts.

SATI Italia Founded in the 1960s and now part of DKC Europe, SATI Italia produces robust and flexible cable carrier systems. Their modular designs allow for customization to meet the needs of energy, construction, and automation sectors, ensuring compliance with international safety and quality standards.

SITIE Impianti Industriali Established in 1945, SITIE focuses on industrial installations and plant automation. They manufacture perforated trays, solid-bottom trays, and custom designs suitable for heavy-duty industrial applications, emphasizing engineering excellence and high load capacity.
