

Sri Lanka Anti-corrosion Cable Tray Manufacturer

AI Overview

Top anti-corrosion cable tray manufacturers in Sri Lanka include Bianco, CEYLEKTRA, C&D Electrical, Magline, Gaurav Electromech, and Eastlink, offering galvanized, powder-coated, and stainless steel solutions. Leading Manufacturers and Products Bianco is a trusted Sri Lankan manufacturer providing cable trays in mild steel, stainless steel, and aluminum, suitable for both indoor and outdoor applications. Their products are designed to resist corrosion and environmental elements, making them ideal for industrial and commercial projects. Bianco offers customizable solutions to meet specific project requirements. CEYLEKTRA specializes in hot-dip galvanized and powder-coated cable trays and ladders, manufactured to EN 61537 standards with galvanization complying with EN ISO 1461. These trays provide excellent mechanical strength, long-term durability, and superior corrosion resistance, suitable for harsh industrial and outdoor environments. CEYLEKTRA also offers powder-coated trays in various RAL colors for aesthetic and functional applications. C&D Electrical provides a wide range of cable trays and accessories with a focus on flexibility, durability, and customization, suitable for power generation, telecommunications, and construction industries. Magline specializes in slotted cable trays, which allow easy attachment of accessories and flexible routing, ideal for industrial plants, data centers, and telecom infrastructure. Gaurav Electromech manufactures GI (Galvanized Iron) cable trays with superior corrosion resistance and mechanical strength. Their trays support heavy cable loads, are easy to install, and are suitable for power plants, communication hubs, and manufacturing facilities. They also provide a complete range of bends, tees, clamps, covers, and couplers for comprehensive installations. Eastlink offers stainless steel cable trays that provide...
