

Sri Lanka Fiber Optic Cable Bracket Manufacturer

AI Overview

T&G Lanka, C & D International, DCL Engineering, and Hyperjet Technologies are key Sri Lankan companies providing fiber optic cable components, including brackets and structured cabling solutions. Leading Manufacturers and Suppliers T&G Lanka / T&G Genex T&G Lanka is a prominent supplier of electrical and fiber optic cable systems, offering fiber optic patch cables, connector assemblies, and turnkey solutions for telecommunication and offshore applications. They provide OEM/ODM services, enabling customized manufacturing of fiber optic components, including brackets, to meet specific project requirements. Their facilities support both large-volume production and single-piece manufacturing, ensuring high-quality standards and minimal signal degradation. C & D International (Pvt) Limited C & D International is an ISO-certified Sri Lankan manufacturer specializing in PON devices, fiber optic closures, patch cords, patch panels, and cable management systems. They supply products compliant with Sri Lanka Telecom FTTH PON standards and offer solutions for structured cabling, including brackets and enclosures for fiber optic installations. Their customer base includes major telecom and engineering companies in Sri Lanka. DCL Engineering (Private) Limited DCL Engineering provides a comprehensive range of structured cabling solutions, including fiber optic systems and accessories. They distribute Premium Line products for building fiber-optical networks and offer customized solutions suitable for industrial, commercial, and telecommunication applications, which may include cable brackets and mounting hardware. Hyperjet Technologies (Pvt) Ltd Hyperjet Technologies specializes in telecommunications equipment and FTTH solutions, including fiber optic connections and accessories. They focus on innovation and adherence to international standards, making them a...
