

TK Fiber Optic Patch Cord

Overview

Founded in March 2000, TK Connect is a Hi-tech enterprise engaging in the development, production and marketing of fiber optic products, specialized in fiber optic patch cord, adapter and connector. We take the lead in getting the ISO9001-2008 quality management system and adopting ERP system. Check each product page for other buying options. We use cookies to give you the best possible experience on our website. Yongbin Wang Copyright © 2022 Publishers Representatives Limited. The Armoured Fiber Optic Patch Cord is suitable to be deployed in a harsh environment as it consists of a spiral steel tape armouring to protect the optical fiber. It is available in both simplex and duplex types. As a leading provider of optical connectivity equipment, Takfly has more than 24 years of ODM/OBM/OEM manufacturer experience, and its business has expanded to more than 128.
