

Ukrainian cable tray vendors

AI Overview

Key Ukrainian cable tray manufacturers include SCaT, Industry Ukraine, and Ensytec, offering a range of metal cable trays and installation accessories. SCaT (TM SCaT) SCaT is a Ukrainian manufacturer specializing in metal cable trays, metal hoses, and related accessories for cable routing. Their products form a complete system for cable installation, with all components designed to be compatible. SCaT operates its own production facilities, ensuring quality control across all elements. They provide technical support and project consulting through their "Album of Project Solutions," which includes assembly drawings, specifications, and installation guidelines for efficient and cost-effective cable tray layouts (SCaT). Industry Ukraine Industry Ukraine manufactures galvanized metal cable trays designed for open cable installations up to 1000V. Their trays are made from cold-rolled steel, hot-galvanized for corrosion resistance, and comply with climatic and placement standards for Ukraine. They offer a variety of tray types, including perforated and solid trays, along with lids, corners, connectors, splitters, and mounting brackets. Their trays feature reinforced ribs and smooth edges to prevent cable damage during installation, making them suitable for both civil and industrial projects (Industry Ukraine). Ensytec Ensytec is a supplier and distributor of electrical installation products in Ukraine, including cable trays from Baks, metal conduits, busbars, and distribution boxes. They have supplied numerous projects across Ukraine and act as an official distributor for several international brands, providing both products and technical support for electrical installations (Ensytec). Additional Suppliers Other companies, such as Jeetmull Jaichandlall (P) Ltd., are also listed as cable tray manufacturers in Ukraine, offering a variety of sizes, shapes, and finishes. They emphasize high-quality production, modern manufacturing equipment, and adherence to industry standards, serving both domestic and international markets (Wire Meshes). Trade and Export...
