

## Where to buy ST fiber optic attenuators

### AI Overview

Fiber optic attenuators can be purchased from major electronics and optical component suppliers such as DigiKey, FS, Thorlabs, Newark Electronics, and Markertek. Recommended Suppliers DigiKey offers a large in-stock selection of fiber optic attenuators, including single mode, dual window, and multimode types with various connector styles like FC, SC, ST, and MU. They provide same-day shipping and detailed product specifications for easy selection and ordering (DigiKey). FS provides both fixed and variable fiber optic attenuators with attenuation ranges from 0 to 60 dB, suitable for WDM transmission and other high-precision applications (FS). Thorlabs carries a wide variety of single mode (SM), polarization-maintaining (PM), and multimode (MM) attenuators. They offer both manual and electronic variable optical attenuators (VOAs) as well as fixed attenuators compatible with FC/PC, FC/APC, and SMA connectors (Thorlabs). Newark Electronics stocks a broad range of fiber optic attenuators from top manufacturers like L-com, Multicomp Pro, and Amphenol Fiber Optics. They provide fast quotes, same-day dispatch, and technical support for professional and industrial applications (Newark Electronics). Markertek specializes in fiber optic attenuators for DWDM and EDFA applications, including SENKO metal-ion doped fiber attenuators. They offer fast shipping and a wide selection suitable for both lab and field use (Markertek). Tips for Purchasing Determine the type of fiber: Single mode, multimode, or polarization-maintaining. Choose the connector type: FC, SC, ST, MU, or SMA depending on your system. Select fixed or variable attenuation: Fixed attenuators provide a set reduction, while variable attenuators allow adjustable signal control. Check specifications: Ensure the attenuation range, insertion loss, and wavelength compatibility meet your requirements. By selecting from these suppliers, you can access a wide range of fiber optic attenuators with reliable shipping and technical s...
