

Which Belgian company makes the best custom-made cable trays

AI Overview

Trayco, Vergokan, and Brilltech Engineers are among the top Belgian companies offering high-quality, customizable cable trays. Trayco is a well-established Belgian company providing a wide range of high-quality cable trays, cable ladders, mesh trays, and mounting systems. They specialize in custom solutions for industrial and commercial installations, ensuring durability and compliance with safety standards. Their extensive product range allows clients to select tailored configurations for complex electrical projects. Vergokan is an independent Belgian company that produces and sells standard and custom cable support systems. They focus on customized solutions for electrical installations, catering to both industrial and commercial clients. Vergokan's expertise in designing and manufacturing ensures that each cable tray meets specific project requirements. Brilltech Engineers offers a comprehensive selection of cable trays, including ladder, PVC, mild steel, perforated, and stainless steel options. They emphasize customization and quality control, with in-house manufacturing and expert oversight to ensure client satisfaction. Brilltech is known for timely delivery and after-sales support, making them a reliable choice for tailored cable tray solutions in Belgium. Additional Considerations When choosing a Belgian supplier for custom cable trays, consider: Material options: Steel, stainless steel, PVC, or fiberglass depending on environmental and load requirements. Customization capabilities: Ability to produce trays in specific dimensions, shapes, and configurations. Delivery and support: Timely shipping and technical assistance for installation. Compliance: Adherence to local and international safety standards. These companies are recognized for their quality, customization, and reliability, making them strong candidates...
