

Which company makes the best polymer cable trays in Egypt

AI Overview

EGYTRAY and Rovana Trade are leading Egyptian manufacturers offering high-quality cable trays, including polymer-based solutions for industrial and commercial applications. EGYTRAY, part of the El-Sewedy Industries Group, is a prominent Egyptian manufacturer specializing in cable trays, ladders, and support systems for industrial, commercial, and infrastructure projects across the MENA region. They focus on precision-engineered cable management systems that meet international standards, emphasizing safety, efficiency, and structural integrity. EGYTRAY offers customizable solutions and is committed to sustainability, balancing performance with environmental care. Their products are suitable for power and low-voltage cable routing, and they provide technical support and documentation for project planning and installation. Founded in 2019, Rovana Trade Company is another leading Egyptian manufacturer of cable trays and ladders, delivering durable and customized solutions for electrical and industrial sectors. Their products comply with ISO 9001 standards, ensuring high quality and reliability. Rovana Trade offers hot-dip galvanized and electrostatic painted trays, and they are capable of providing polymer-based cable trays for projects requiring corrosion resistance, lightweight construction, or specialized environmental performance. PI Manufacturing Solutions, established in 2023, manufactures a wide range of cable management systems, including trays, trunks, and ladders. While their focus is broader, including IT racks and electrical panels, they provide customizable cable tray solutions that can accommodate polymer materials for specific project requirements. Their systems are designed to withstand harsh environmental conditions such as dust, water, and corrosion. EMECO, o...
